

COIL CLEANER

FACC

COIL CLEANER WITH FOAMING ACTION

A portable, non-acid, foam cleaner that blasts deep into air conditioner, heater, refrigeration and dryer coils to loosen and remove grease, dirt, lint and grime. Contains natural enzymes for continuous cleaning and breakdown of organic coil contaminants. May be flushed off with water or left on fins without rinsing. FACC helps maintain optimum unit efficiency and deodorizes as it cleans, leaving the area with a fresh clean scent. A strong directional spray helps force foam into coil air spaces. Then, the Bio-Enzymatic action removes stain and odors associated with mold and fungus.

FEATURES

- No Rinse
- Non-Acid
- No Harsh Fumes
- Improves Air Flow
- Reduces Energy Consumption
- Helps Keep Drip Pans and Drain Lines Clean, Free Flowing and Odor Free
- Contains a low level of flammable propellant and could cause flash fire if vapors accumulate
- Foaming action
- Deodorizes as it cleans
- Strong directional spray for hard to reach spaces
- Bio-Enzymatic Action
