PORTABLE ADHESIVE CANISTER - BLACK

**DUAL PURPOSE:
LINER ADHESIVE
&
EDGE COATING!****

NPAB is a web type, general purpose adhesive which bonds well to a wide variety of substrates, with one side or two side application. This black liner adhesive can also be used as an effective edge coating**. It has a quick tack, is flexible, and waterproof.

FEATURES:

- Low VOC Organic Compound
- Qualifies for LEED Credit 4.1*
- No Methylene Chloride (Dichloroal methane)
- High Strength
- Very Fast Tacking
- Appropriate for Edge Coating**
- Waterproof
- Dual Purpose:
 - Wide Spray Tip available for use as a liner adhesive
 - Narrow Spray Tip available for use as an edge coating**

Hoses, Gun & Gun Tips
sold separately

*NPAB complies with the South Coast Air Quality Management (SCAQMD) Rule #1168 and VOC (Volatile Organic Compound) standards and thus can be used for **IEQ Credit 4.1: Low Emitting Materials: Adhesives & Sealants** when used for field installation on the building interior and applied on-site.
