

WIPES

INDUSTRIAL WIPES

ISW9512

Duro Dyne Industrial Wipes are the latest innovation in combatting paint and graffiti. The powerful cleaning formula removes tough graffiti, including enamel. These Industrial Wipes feature an abrasive fabric that aids in cleaning but is non-scratching. They do not contain amyl acetate or methylene chloride, and are manufactured of a biodegradable formula. ISW Wipes from Duro Dyne Are 100% Solution soaked to ensure they stay moist to provide greater usage and longer shelf life.

- Non-flammable
- Non-toxic
- Ideal for use on hard surfaces
- Abrasive towel, yet non-scratching
- Highly-Effective Formula
- Ideal for industrial and commercial use
- Gloves are recommended

BEFORE VS. AFTER

HEAVY DUTY WIPES

HDW9512

Duro Dyne Heavy Duty Wipes cut through the toughest tar, grease, wax, ink, paint, lubricants, and adhesive. They are extremely versatile, and can be used for nearly any job, from cleaning tools, to wiping hands, to cleaning machinery and other surfaces. These wipes are industrial strength, yet gentle on skin – fortified with an emollient, they won't crack or dry hands. Great for on the job hand cleaning when a water source is not available. The textured side of the fabric won't scratch surfaces and is ideal for scrubbing tough soils, while the smooth side wipes surfaces clean. The formula won't leave behind a residue, dries on its own, and leaves a pleasant citrus scent.

- Abrasive towel, yet non-scratching
- Industrial strength formula
- Safe on hands
- Non-flammable
- Fresh citrus fragrance
